WORK EXPERIENCE

Manager

BankBazaar

Dec 2015 - Present

- Led cross-functional teams through the migration of operations and customer data to cloud-based platforms, achieving a 20% growth in customer acquisition and retention within three years.
- Owned cloud solution rollouts for telephony, CRM and reporting, boosting operational efficiency by 15% with significant cost reductions and faster service delivery.
- Managed cloud vendor and stakeholder relationships, negotiating contracts that cut expenses by 10% while upholding superior service quality and data security standards.

TEAM LEADER,

eNoah iSolution (P) LTD

May 2010 - Sep 2015

- Led a specialized team in the USA dental insurance sector, managing medical retrieval through secure, cloud-hosted repositories and analysis of policies, certificates, and renewals, ensuring compliance and accuracy for international clients.
- Implemented quality control and data-security protocols on hosted systems, maintaining regulatory compliance and boosting the efficiency of medical information retrieval for dental insurance

claims.

- Worked with vendors and IT partners to migrate hosted platforms and resolve complex cases, lifting client satisfaction by 20% in line with industry regulations.
- Directed the Walt Disney E-Publishing Project, moving publishing and proofreading workflows to shared online platforms for error-free output.
- Coordinated project timelines and cross-functional teams to deliver high-quality, brand-consistent content on schedule, upholding Disney's standards for precision and publishing excellence.

Supervisor

Lycatel BPO

Nov 2006 - Jun 2009

- Led a team of 35 associates to consistently exceed key performance indicators (KPIs) in internal customer service operations for USA and UK telecom clients.
- Supported the shift of customer service operations from legacy systems to centralized, hosted telephony and web-based tools, maintaining service continuity and enhancing customer satisfaction scores by 15%.
- Developed and implemented tailored strategies to meet unique client requirements, achieving 100% compliance with service level agreements (SLAs) and regulatory standards.
- Collaborated cross-functionally with IT and other departments to optimize workflows and platforms, driving a 10% increase in client retention and overall satisfaction.
